

DISCOVERY WORLD

Privacy Statement and Consent Form

Discovery World Corporation (the “Company”) is the subject of the present document and explains how or what information about you or your transactions will be processed by them. Such information may include the name and address of an individual and their basic contact information as well as the more sensitive and private details of an individual such as their age, marital status, tax identification, records of government identification, financial records, and tax records, etc. (all hereinafter known as your ‘Personal Information’).

The Company may process your Personal Information for purposes of:

- i. Establishing your identity to provide you with services, including managing, administering, approving, or facilitating any transaction or action related to your inquiry or request.
- ii. Statistical analysis to improve the services to be provided to you including the expeditious response to your concerns and queries, and to ensure that the services to be provided to you are based on accurate and appropriate information;
- iii. Complying with the reportorial obligations, legal processes, or lawful order with regulatory agencies and instrumentalities of the government;

The Company strictly enforces its Data Privacy Policy and has implemented technological, organizational, and physical security measures to protect the information it holds from loss, misuse, modification, unauthorized or accidental access or disclosure, alteration, or destruction by:

- i. keeping and protecting your personal data using secured servers behind a firewall, deploying encryption on computing devices and physical security controls.
- ii. restricting access to your personal data only to qualified and authorized personnel who hold your personal data with strict confidentiality.
- iii. any personal data that you provide is processed and stored by the Company using a secured connection, only authorized company personnel can then access and download your personal data from the system.

To “process” means any action done on your Personal Information including collection, storage, transmission, use, disclosure, reporting, and disposal of your Personal Information.

The Company may share or disclose your Personal Information to:

- i. Any agent, contractor, or sub-contractor of the Company performing services related to inquiry or request;
- ii. Any consultant, adviser, auditor, or service provider engaged by the Company to carry out functions or activities related to its legitimate business activities;
- iii. Any court of law or administrative agency of the government pursuant to a lawful order issued in relation to a pending case or proceeding before such court or agency;
- iv. Any regulatory, quasi-judicial or judicial authority, or as otherwise considered necessary or appropriate by the Company for its legitimate business purposes.

The Company honors and abide to the following rights of the data subject:

- a. The right to be informed about the collection, use, and disclosure of your personal data;
- b. The right to access your personal data;
- c. The right to rectify any errors in your personal data;
- d. The right to erase or block your personal data
- e. The right to object to the processing of your personal data
- f. The right to data portability

From time to time, it may be necessary for the Company to change its Privacy Policy. Revisions or amendments of the company's Privacy Policy will be reflected on its official website: www.discoveryworld.com. Rest assured, however, that any changes will not be retroactively applied and will not alter how we previously handled the collection of your personal data without obtaining your consent, unless required by law.
